TEXL Acquires ISO 45001 Occupational Health and Safety Management System Certification

In March 2020, Taikoo Engine Services (Xiamen) Co. Ltd. ("TEXL") acquired ISO 45001 *(Occupational Health and Safety Management System)* certification, marking another milestone in TEXL's environment, health and safety management. ISO 45001 standard focus on improving employee safety, reducing workplace risks and creating better and safer working conditions.

ISO 45001 Occupational Health and Safety Management System Certification.

About Taikoo Engine Services (Xiamen) Company Limited ("TEXL")

TEXL is a joint venture established in Xiamen, China in 2008. The shareholders of TEXL are Hong Kong Aircraft Engineering Company Limited("HAECO Group"), Cathay Pacific Airways Limited, GE Aviation, Taikoo (Xiamen) Aircraft Engineering Company Limited ("HAECO Xiamen") and Xiamen Aviation Industry Company Limited. TEXL specialises in the repair, overhaul and test of GE90 series engines, and has overhauled more than 600 engines since commencing operations in early 2010. As part of a long-term partnership with GE Aviation, TEXL is licensed as an authorized GE90™ Service Provider, GE90 Center of Excellence and the sole holder of a GE90 Branded Service Agreement ("GBSA") in Asia.
